

Who am I?

- A** I have dark circles around my eyes that protect me from the glaring sun in the Kalahari Desert. Who am I?
- B** My Latin name is *Haliaeetus leucocephalus* which means white-headed fish-eating bird. Who am I?
- C** I just woke up from my winter sleep, some call it hibernation, I call it torpor. I'm a big animal, so I'm looking for lots of food right now! Who am I?
- D** I am a prickly girl that loves to climb. Most of the day, I will be hiding out in one of my two houses. Who am I?
- E** I am the fastest land animal in Saskatchewan. I can reach top speeds of close to 100 km an hour! Who am I?
- F** I have a really long tail that I use as a scarf to protect me from the cold. I live in very high altitudes and unlike other big cats, I can't roar!
- G** I am a member of the wild dog family. We rarely bark, but we love to howl so much that sometimes we're called the singing dogs in Australia. Who am I?
- H** I will live my whole life in the water. I am slimy, but I am not a fish. Who am I? (hint: you will find me indoors)
- I** You may shop at WalMart, but hundreds of years ago, I provided Indigenous people with most of what they needed to survive. Who am I?
- J** Some people call me Wapiti. My Cree name is wâwâskesiw meaning "red deer". Who am I?
